MISSION TRIPS

UGANDA — COST: \$3,895/PER PERSON (12 DAYS)

Called the “Pearl of Africa” by Winston Churchill, Uganda lies on the equator where the East African savannah meets the West African jungle. It is a country saturated in color and a variety of landscapes that have stirred inspiration in travelers and residents for eons. Warm weather, welcoming people, breathtaking scenery, and vast national parks make Uganda a country not to be missed. You’ll also find incredibly diverse wildlife, the largest remaining mountain gorilla population, and easily view the big five (leopards, hippopotamus, lions, buffaloes, elephants). Despite its physical beauty, Uganda is still a country of great need, with many orphans, street children, and areas of extreme poverty. The economy is improving, but Uganda remains one of the poorest countries in the world. Though 84% of Ugandans identify as Christians, there is a real need for sound doctrine and authentic Christian leadership.

ACCOMODATIONS

Team members will be staying at the guesthouse or hotel depending on the size of the group. In most cases, you will share the room with at least one roommate of the same gender, but have your own bed; no sleeping bags, pillows or sheets are necessary. Private rooms are also available depending on availability. However, married couples usually get priority for single rooms.

Three meals a day (breakfast, lunch and dinner) will be provided and will consist of local cuisine and a few American style dishes. During our consulting process, we will be able to identify team members who have allergies or dietary restrictions. Our meal program can accommodate vegetarian needs; however, we are not able to provide for other dietary restrictions. We recommend that team members with dietary limitations, bring any additional foods they would like, to supplement their daily meals. Bottled water is readily available at the guesthouse, all worksites and service locations. Food and drinks outside of mealtimes are the volunteer's responsibility.

REGISTRATION PRIORITY

TEL International is only able to reserve spaces for individuals who submit their application and trip deposit (\$250). There is a maximum number of spaces available per trip, and all trips are filled on a first-come, first-served basis based on completion of the registration process.

PAYMENT OPTIONS

Trip payments can be made by CREDIT CARD or CHECK. A 3.5% credit card transaction fee is applied.

TRIP CANCELLATION POLICY

If deposit has been received and processed, but a flight has not been booked nor other expenses directly related to the trip have been incurred, trip participant will receive a full refund.

If deposit has been received and processed, and a flight has been booked and confirmed by the airline or other costs related to the individual's participation on the team have been incurred; trip participant will receive amount of deposit less cost of non-refundable flight, incurred expenses, and \$75 in administrative fees. If deposit or full payment has been received and processed and if cancellation takes place less than 45-days prior to departure date. No refund. 50% of non-flight portion of deposit, may be applied to a future mission trip to be taken in the current or future calendar year.

In the event a mission trip is canceled due to the minimum team size requirement not being met, terrorism, civil unrest, natural disasters, widespread illness, pandemic or other extraordinary events, all funds paid will be credited toward a future mission trip, to be used within 24 months of its issuance.

TRANSFER POLICY

Should any trip participant cancel and withdraw from a trip by his/her own choice less than 45-days prior to departure, the Missions Trip Coordinator must be notified in writing by mail or email. All funds paid are non-refundable. However, credits will be made for future trips within 24 months.

- 1). A \$75 processing fee will be deducted prior to the credits being made and any/all expenses that were incurred by TEL International that cannot be refunded or transferred by the vendor/partner.
- 2). When TEL International is able to accommodate the new trip date, funds available for transfer from the original trip date to an available future trip date will be held to the following guidelines: a). If the transfer is made 3 months before the original trip date AND the future trip date is within 12 months of the original trip date, there will be no loss of registration fee; and b). If the transfer is made within 3 months of the original trip date OR the future trip date is after 12 months of the original trip date, the registration fee will be forfeited, and a new registration fee will be required.

WHY NON-REFUNDABLE AMOUNTS?

When your group partners with TEL International on a mission trip, our staff team invests real time and energy preparing for your mission trip and supporting your team. Non-refundable amounts not only allow us to cover all organizational costs associated with your trip, but also to cover upfront expenses already committed to the community and on-field partners prior to your team's arrival. Below are a few ways we support you and the team to make mission trips a meaningful experience for all:

We take the time to plan all the logistics, including housing setup, meal planning, safety protocols, team training and debrief materials; and recruiting and training field staff to lead and run each trip.

Our staff and local Community Partners work well in advance of each team's arrival, setting up work projects and areas of service within the local community. Last-minute withdrawals from a trip within 45 days of the trip start date have a direct impact on our ability to maintain commitments to Community Partners, community members, local churches, schools, service organizations, and ministries, while not leaving enough time to adequately fill spaces vacated by team members.
