

MEDICAL MISSIONS OUTREACH

TITLE OF PROJECT: Medical Missions Outreach
OVERALL PROJECT COST AND REQUESTED FUNDS: \$315,000.00
EIN: 51-0642667 - Training and Empowering Leaders International
CONTACT DETAILS: Reginald D. Harris – (469) 523-1396 – Email: rharris@telinternational.org
610 Uptown, Suite 2000, Cedar Hill, TX 75104 - www.telinternational.org

THE SITUATION

In developing nations, people die daily from fevers, infections and vitamin deficiencies that go untreated because basic medicines or nutritional supplements are not available. The few local clinics that exist frequently run out of basic items such as rubbing alcohol, gauze bandages, and anti-biotic ointments to cleanse and dress simple cuts. For those not able to get medical treatment, illnesses and wounds that are easily managed with proper resources, escalate into life-threatening tragedies.

This year alone, there will be over 40 million deaths in developing countries, one-third among children under the age five. Ten million deaths will be due to malaria, acute respiratory infections, diarrheal diseases, and tuberculosis; all conditions that are easily treatable.

PROGRAM DESCRIPTION

We are committed to standing in the gap for these communities by providing life-saving medical outreach in partnership with local churches and community leaders. Through this ministry, we provide:

Medical Services

- Mobile clinics and medical outreach teams
- Preventative care, wound treatment, basic diagnostics

Medicines and Nutritional Supplements

- Antibiotics, antimalarials, pain relievers, and rehydration therapy
- Vitamins and nutritional support for children and pregnant women

Surgical and Emergency Supplies

- Basic surgical kits, wound care materials, sutures, gloves, masks, and disinfectants

Training and Health Education

- First aid, hygiene, disease prevention, and maternal care training
- Workshops for local health workers and church leaders

We take a holistic approach—addressing both physical and spiritual needs to open hearts to the Gospel and reinforce the presence of local churches. Supplying our ministry partners enables them to:

- Provide antibiotics to treat infections that would otherwise result in amputations or death.
- Provide vitamins such as vitamin A to prevent childhood blindness and prevent death from measles, mumps and other viral infections.
- Provide nutritional supplements such as iron tablets to prevent anemia and the mental and physical delays that would otherwise plague children throughout their lives.
- Re-stock clinic shelves with basic medical supplies such as aspirin, antibiotics, gauze, bandages and rubbing alcohol, so local health care providers can treat illnesses and injuries before they become life-threatening.
- Provide vaccinations for children so they do not contract debilitating illnesses such as polio or tuberculosis or pass these illnesses on to others.

Our primary objective is to strengthen outreach efforts, open new areas to the gospel and provide primary care while giving the caregiver opportunities for ministry. When healthcare is delivered with compassion and dignity, it builds trust within communities and creates meaningful connections. This trust becomes a powerful bridge, opening hearts and doors to the Gospel—especially in regions where it has yet to be heard. Through carefully planned logistics, we ensure the delivery of quality care via clinics, community hospitals, and health posts, serving both physical and spiritual needs. We’ve already experienced remarkable results through our medical mission’s outreach program:

- New church plants in areas once closed to evangelism
- Transformed lives through the love of Christ made visible through healing
- Improved long-term health outcomes for families and children

Here’s how your donation can make a tangible impact:

GIFT AMOUNT	IMPACT
\$25	Vitamins and treatment for one malnourished child
\$500	Medical supplies for a small village
\$1,000	Fund a mobile clinic day (treatment for up to 200 people)
\$1,500	Train 10 community health workers
\$5,000+	Support a full medical outreach trip or ongoing clinic

Every dollar brings both healing and hope, meeting immediate needs and planting eternal seeds, transforming lives today while laying a foundation for lasting spiritual and physical renewal.

GREATEST NEED	
1	Chest tubes (regular size 24-32 and small 10-12)
2	Cytotec 100 & 200
3	Lidocaine + Adrenaline and Lidocaine plain (1% and 2%)
4	Lidocaine – preservative free
5	Surgical Drapes
6	Ace bandages, all sizes
7	Surgical Gauze
SURGICAL NEEDS	
1	Prolene 3-0 ps cutting needle
2	Prolene 0 and 1, CT-2 taper needle
3	Vicryl 0 and 1, CTX taper needle
4	Prolene 0 and 1, CTX taper needle
5	Surgical blades #10 and #15
6	Epidural needles and agents
7	Marcaine for Spinal
8	GI staplers (especially the EEA type) and Skin staples
MEDICATIONS	
1	Phenobabitone/phenobarbital injection
2	Ketamine
3	Pethidine
4	Adrenaline
5	Oxytocine
6	Metoclopromide injection
7	Vitamin K 1mg injection
8	Ergometrine tablets
9	Podophyllin resin powder
10	Neomycin sulfate powder
11	Potassium permanganate powder
12	Methotrexate
13	Sodium Acetate crystals
ALWAYS USEFUL	
1	Unsterile and sterile gloves
2	Disposable eye shields for surgery/procedures
3	Cloth tape/sports tape
4	Disposable scrub brushes
5	Foleys catheters
6	NG tubes and chest tubes
7	Urine collection bags
8	Stoma bags and related materials
